SEPTEMBER 25, 2014

Marriott Charleston Town Center | Charleston, WV

Your Sponsorship GOES **BEYOND** AN EVENT:

At **KISRA** (the Kanawha Institute for Social Research & Action, Inc.) we have been working to improve families since we first came to be in 1993. Through the program areas of Health, Employment, Asset Development and Learning, KISRA works to HEAL and strengthen West Virginia families. Your support allows us to GROW this work.

EVENT FEATURES: *Celebrity Chef* JEFF HENDERSON

It was in prison where Chef Jeff found his passion for cooking. After serving nearly ten years for a drug conviction, he used his street smarts to make his way up from dishwasher to executive chef of Café Bellagio in Las Vegas. His story was first told in the *New York Times* best-selling memoir, *Cooked: My Journey from the Streets to the Stove*, which is being adapted into a film starring Will Smith.

On his Food Network show, *The Chef Jeff Project*, he took six at-risk youths under his wing to teach them culinary skills and to give them the chance at a new life. His mission is to give back and help others reach their full potential.
